Engineering Manager - C#/.Net

Location:	Johannesburg
Type:	Permanent
Reference:	#BRM58798
Company:	E-Merge IT Recruitment

If you're ready to take your career to the next level in a management position, and you have a passion for fintech, then this opportunity could just be for you. One of the most prominent financial bodies in South Africa is currently on the lookout for a well experienced C# Engineering manager to join their team.

If you have a passion for mentoring and guiding people, and you have a passion for hands-on development, then you're the type of person we're looking for. If successful, you will have the opportunity to showcase and develop your management skills while working on cutting edge fintech platforms and solutions with a team of high-calibre developers.

If you think you have what it takes, and you fit the profile below, apply now.

Got the skills?

- C# / .NET
- RESTful API
- Web API
- Cloud (Azure and AWS)
- SQL
- SOLID
- OOP

Do you qualify?

- Degree (Computer Science, IT, or similar)
- Eight-plus years software development experience (C# / .NET)
- Three-plus years' experience in architecting data platforms on cloud (AWS and Azure)
- Team lead / Management experience
