

# Design Lions winners!

The 66th annual Cannes Lions Festival of Creativity kicked off on 17 June with the 2019 Cannes Design Lions announced during the first Communication award track ceremony.

#CannesLions2019 Design Lions' Grand Prix winner: Creatability by Google Creative Lab New York.

Winners of the Cannes Lions' first Communication track were announced and the Cannes Lions' opening award ceremony held at the Palais on Monday, 17 June from 7pm.

Celebrating visual craftsmanship - work in which a unique visual identity leads to consumer recognition or understanding, 1,469 entries from 65 countries were entered into the Design Lions, with 47 Lions awarded: 1 Grand Prix, 6 Gold, 16 Silver and 24 Bronze Lions.

## Dazzling Design

This year, the Design Lions Grand Prix went to **Google Creative Lab New York** for 'Google Creatability: Experiments in AI + Accessibility'. It explores how creative tools – drawing, music, and more – can be made more accessible using web and AI technology.

No SA work was awarded. View the full table of winning work below:
