Some of our responses from the 2020 #30DIC participants:

"I was amazed at the amount of time & effort that went in to the program. It was structured in a way that could be useful to everyone & anyone, no matter where they are on their inclusion journey"

More about this **real** learning journey:

Through the bridging of different perspectives and voices from different regions across the globe, South Africa, India, UK and the USA, the #30DayInclusionChallenge will enable **you** to build greater consciousness and awareness around matters that relate to equality, diversity and inclusion.

This **free** learning journey will see you engaging each week with a different theme: Race & Ethnicity, Gender, LGBTIQ and Generations. Requiring only 15 minutes per day, we hope to help build:

- Better language, literacy and awareness around major diversity dimensions
- Practical examples of how to be an inclusive leader
- Greater understanding of the historical context of exclusion and thus why inclusion is important.
- How and why inclusion enters, affects and is important for organisations to get right.

- Personal and professional development.

The Challenge Outline will be broken down as such:

Week 1: Race and Ethnicity

Week 2: Gender

Week 3: LGBTIQ

Week 4: Generation

4 Weeks | 15 min per day | 4 Diversity Elements
