

Newspapers ABC Q2 2022: Local and Free newspapers steady the ship

By Danette Breitenbach

16 Aug 2022

The Audit Bureau of Circulations South Africa's (ABC) figures for Q2 2022 show a steady ship, building on the stability of the last three quarters and growth in the Free and Local newspapers categories.

In its release of the Q2 2022 circulation figures, the ABC notes the continuation of the digital migration to paid-for newspapers.

“The Newspaper category has significantly grown in digital from daily and weekly newspapers. The continuous migration from print to digital is ongoing,” it states.

Newspapers ABC Q1 2022: Local is lekker but free is king

Danette Breitenbach 16 May 2022

Daily newspapers

This quarter sees only two newspapers, *Daily Dispatch* and *Pretoria News* up on the previous quarter as well as the prior year. Their increases are under 5%, in keeping with the rest of the category increases. Despite no other newspapers seeing an increase on the previous quarter, all the decreases are under double figures.

The biggest losers are the *Son*, *Sowetan* and *Daily Sun*, with losses over 5%. *Daily Sun* was also the biggest loser in Q1 2022.

Also up on the prior year are *The Star*, *Business Day* and *The Herald*. Both *Business Day* and *The Herald* are continuing their upward trajectory from Q1 2022.

This quarter bucks the trend set by the first quarter of 2022 and fourth quarter of 2021 in terms of the number of dailies increasing circulation over the previous quarter - in Q1 2022, eight dailies were up on the previous quarter.

What is in keeping with the general trend of the last few quarters is that any increases on the previous quarter are incremental and single digits.

Weekend newspapers

Last quarter there was quite a bit to celebrate in this category. However, this quarter there is little cause for celebration as all 21 of the newspapers in the category failed to show an increase on the previous quarter and on the prior year.

For the quarter, double figure losses came from *Pretoria News*, *The Weekend Post* and *City Press*. The rest of the category showed declines under 10%.

In Q1 2022, *Pretoria News (Saturday)* had the second biggest increase on the previous quarter.

Isolezwe ngoMgqibelo, *Isolezwe ngeSonto* and *The Citizen (Saturday)* continued their downward movement on the prior year in Q1 2022 with declines over 20% on the prior year this quarter.

Pretoria News (Saturday) joined them this quarter with a 28.8% decrease on the prior year.
