

MTN Ekasi TV warms the Townships during FCC

The cold winter nights didn't stop more than 80,000 fans from watching the FIFA Confederations Cup on the permanent big screens at the MTN Ekasi TV sites in the Johannesburg City Parks.

The parks became a sea of yellow as people of all ages took advantage of the free entertainment to support their favourite team and players in the safe “fan parks” atmosphere.

Bafana Bafana's success in the tournament was a major plus, says MTN Ekasi TV founder, Graeme Joffe.
