

Marcelo Mosse to edit Mediafax

Marcelo Mosse has been appointed editor of the daily newsheet *Mediafax*, Mozambique's oldest independent publication. He will be replacing Lourenco Jossias who has left to become editor of the new weekly newspaper *Zambeze*.

Mosse previously edited *Metical* and was also the Maputo correspondent for the Portuguese publications "Publico" and "Expresso", and for Radio France Internacional. He was also hired as a researcher for the Institute for Security Studies of South Africa, investigating organised crime, corruption and money-laundering.
