

## Pieter Groenewald joins Wideopen Platform

The Wideopen Platform management team has announced the appointment of Pieter Groenewald at the Primedia Unlimited subsidiary.

Pieter's appointment at Wideopen Platform is twofold. He will firstly maintain and grow the permanent and non-permanent site base which forms part of the company's existing core business. Secondly, Pieter will be involved in setting up an innovative new division within Wideopen that he will manage and have a shareholding stake in.
