

You can enter the 2020 Cannes Lions Awards

Entries for the 2020 Cannes Lions Awards are officially open.

Several updates have been made to this year's awards including:

- The Film Craft Lions - which has been split into two new sections Production and Post-Production and the addition of the new category Colour Correction/Grading.
- The Culture and Context section - which now includes two separate categories for Social Behaviour and Cultural Insight.
- The introduction of the Culture & Context section to Outdoor and Print & Publishing Lions.
- The launch of a new category Corporate Purpose & Social Responsibility - which replaces the CSR category to reflect the development of work in this area.
- The update of all the Lions and categories to keep them in line with industry developments.
