

Promo & Activation Lions winners!

The 64th annual Cannes Lions Festival of Creativity hosted the Cannes Promo & Activation award ceremony on 19 June 2017.

Lions Promo & Activation celebrates creativity that brings brands to life. Entries needed to demonstrate ideas that generate interaction; where consumer participation in an activity serves to promote a product or service.

#CannesLions2017: Promo & Activation Lions shortlist

19 Jun 2017

The Grand Prix went to the Boost Mobile's 'Boost your voice', by 180LA Santa Monica.

WE TURNED BOOST MOBILE STORES INTO VOTING STATIONS TO MAKE VOTING EASIER IN UNDERSERVED COMMUNITIES.

PROBLEM
Low-income and minority voters face longer lines and have fewer places to vote. In 2016, nearly 900 polling places were eliminated, mainly in these neighborhoods.

INSIGHT
Boost Mobile stores are located primarily in low-income neighborhoods, the same areas where voting access is most problematic.

SOLUTION
We turned Boost Mobile stores into voting stations, creating an unprecedented partnership between government and a corporation in a national election. Working with voting rights groups, election officials, and hip-hop artists, we helped more Americans be heard on Election Day. Because every voice matters.

764 MILLION TOTAL CAMPAIGN IMPRESSIONS

IN BOOST PRECINCTS, VOTER TURNOUT INCREASED 23% OVER 2012

BOOST STORES WILL CONTINUE TO SERVE AS OFFICIAL VOTING STATIONS IN THE ONGOING FIGHT FOR EQUAL ACCESS.

The campaign promoted Boost stores as polling stations in under-served areas populated by low-income and minority voters in a move towards equal voting access.
