

Cannes 2008: Cyber and Press juries announced

The organisers of the 55th Cannes Lions International Advertising Festival have announced the members of this year's Cyber Lions and Press Lions juries. Congrats to Kirk Gainsford, Lowe Bull Cape Town creative director who is representing South Africa on this panel.

While judging takes place on site, all Cyber Lions entries can be viewed at the MDAS Cyber lounge and all Press Lions entries can be viewed on interactive kiosks located in the Palais des Festival in Cannes during the Festival week. The winners of these categories will be announced on Wednesday, 18 June 2008, together with the inaugural Design winners.
