Tomorrow's Soweto Carnival will still have the spirit of the Samba Kings when the Brazilian Express of Art joins the festivities with the African arts masters on Friday 9 July 2010. The parade leaves from Maponya Mall at 12h00 noon and makes its way via Mohloka Street, joining Modjadji Street before turning left into Klipspruit Valley Road and heading towards Kliptown. The 3km procession will end at Walter Sisulu Square with a variety of live dance and music performances.
