Q: The biggest trend to note in your industry?

A: The increased competition and multichannel choices for our consumers and advertisers.

A: Our approach is a strong customer focus and strengthening relationships across our partners. As a solutions provider

we need to mirror the consumer's omni-channel journey, ensuring the best ROI for our clients.

Q: Most important attribute needed to do your job?

A: Passion.

Q: How will you make an impact?

A: By exceeding our customers' expectations.

Q: What inspires you?

Q: Tell us something about yourself not generally known?

A: I wake up at 4am every morning to go to gym and get ready for the day. I also reverse park wherever I go - a forward thinking habit that I picked up working for Denel, where we were required to be ready and prepared for any emergency!
