

# Savanna Premium Cider and Dillan Olliphant propose the Skhaftin Courier Service for Trevor Noah's jet

From the Mzansiverse to the world! In true South Ahh fashion, Dillan Olliphant and Savanna Premium Cider have a favour to ask of Trevor Noah when he stops over at home for his Comedy Tour between 30 August and 16 September 2023...

The Skhaftin Courier Service, powered by Trevor's jet (fingers crossed), aims to deliver some of our special items from home to some of Trevor's famous friends?! Why Trevor's jet? Because he's one of us, and we really, really think that he will be totally cool with it!

What's a Skhaftin? You may know it as a 'tupperbakkie,' an ice cream tub with anything but ice cream, or sometimes just something special transported by someone for someone else. And because Savivi does the last number things with last number people like M'Trevovo, The Skhaftin Courier Service wants to bring the best of South Ahh to the best of the States.

## Courier Nomayini

Think a goat for the G.O.A.T.? Like Yonce and Jay, or a personalised Rasta painting for the Met, or your cousin's mixtape for Drake. It can be anything! "Will Trevor or won't he? We don't know. But it never hurts to ask. And in South AHH, we are never afraid of asking," says Kayla Hendricks, Brand Manager at Savanna Premium Cider. "We're so excited to bring Trevor back to South AHH, but with all those famous friends in the States, would we be South African if we didn't ask him to plug the people? Worth a shot."

The Skhaftin Courier Service asks South Africans to share their Skhaftin suggestions and ideas on social media using the hashtag #SavannaSkhaftinCourierService and tagging @SavannaCider. People of South AHH can also participate in the conversation on air as the brand takes over various radio stations.

Participants stand a chance to win tickets to see Trevor Noah perform live in Cape Town, Durban or Johannesburg. Please visit Savanna Cider's social media channels for more information about the Skhaftin Courier Service and Trevor Noah's tour updates.

It's going to be a jet-'lag' from start to finish. Terms and Conditions Apply.

### *Terms and Conditions:*

*Crisp and dry Savanna Premium Cider would like to state that the Skhaftin Courier Service is just for fun and vibes. Khamaan, South AHH...this is social media after all. While we're sure that, as a South African, Trevor wouldn't mind delivering your skhaftins (you wouldn't mind right, Trevor) and we're happy to get your suggestions on the timeline, please don't send ACTUAL things. They won't go anywhere. Trevor will NOT be taking your skhaftins back to the US. So, asombrief tog, siyan'cela, South AHH, let's respect our national treasure and have fun together. Siyavanna, South AHH?*

Savanna Premium Cider, it's dry, but you can drink it.
