

Cryo-Save South Africa appoints Robert Crookes

Cryo-Save South Africa is pleased to announce the appointment of Dr. Robert Crookes as their Medical Director. Crookes has had a long career in the field of Transfusion Medicine. His 36 years of experience in the implementation of medical and technological initiatives are a great asset to Cryo-Save.

One of his key objectives is to assist in achieving individual international accreditation by the most stringent International Accreditation Body in the field of cellular therapy.
