

More than 400 brands at the Gauteng Getaway Show

This year the Gauteng Getaway Show promises even more fun with an exciting new feature. From 30 August to 1 September 2013, the Coca-Cola Dome will be transformed into an adventure wonderland, as over 400 travel, outdoor and adventure brands will all be offering interactive exhibits.

Getaway magazine will be brought to life, allowing readers to truly see, touch and feel beautiful destinations, affordable accommodation, camping and outdoor gear and much, much more - with interactive and informative 3D exhibits across a range of categories.

The show offers a great opportunity for avid travellers to discover what's new on the travel scene, get some new ideas for their next holiday, and even get a few travel tips from experts. The exhibits also make it easy to compare and buy the latest outdoor gear, 4x4 vehicles and accessories, camping equipment and incredible adventures - with some amazing discounts on offer. Of course, there will be tons of free giveaways and competitions to enjoy too.
