Our story

The year was 2002, the backdrop was our beautiful Mother City. The event? FusionDesign lands its first travel industry client, Heritage Africa. Michael Giles and Bernadette Moffat, who left the United States to pursue their passion for conservation in Africa, tasked FusionDesign with crafting striking visual designs for their beloved brand. From this pioneer client in non-hunting safaris, our team strode onwards, honing our skills along the way. Today we offer 360° marketing solutions to the travel and tourism industry of Southern Africa.

“As a South African integrated communications agency with a bold vision, we believe that authentic storytelling has the power to sway consumers and business leaders alike. Our team of experts strives to amplify our clients' voices by providing creative, skilled, and dynamic communications solutions.”

- Carmen Lerm, founder of FusionDesign

Welcoming our new talent

Bilqees Bailey recently joined the FusionDesign team as a travel writer and content creator. After obtaining her Bachelor of Arts degree in Art History and Discourse of Art and Media and Writing from the University of Cape Town in 2021, she is ready to make her mark by writing engaging content for our clientele.

“I am a proud Capetonian who enjoys exploring and highlighting the Western Cape’s hidden gems and unique experiences. Wherever I go, my camera goes too! I collect pictures that tell authentic stories, especially of life in small town South Africa.” ”
