

Knysna to host Level 4-compliant 'Limited Edition' Oyster Festival

The Knysna Oyster Festival Committee has announced that the 2021 instalment will be presented in a 'limited edition' format, fully compliant with the current Level 4 restrictions.

"The safety of our visitors and locals involved in the programme is of utmost importance to us," said Colleen Durant, Visit Knysna general manager. "In support of the president's announcement on Sunday, we've reimagined the experiences whilst allowing for the flexibility to add further activations in the future, should the regulations lift in the next few weeks."

With early school closures communicated, the Knysna Oyster Festival 'Limited Edition' is the perfect family getaway, with members of the same household and family unit permitted to partake in a world of experiences together.

What's on offer

From an outdoor Rastafari Community Tour to mashie golf, canoeing and vintage boat cruises – there is something for the whole family to enjoy in the wide-open spaces of Knysna and the Greater Knysna area. For sporting enthusiasts, the popular Knysna Forest Run and Cycle Tour can still be enjoyed at runners' and cyclists' leisure and tracked virtually. To reward your physical efforts, treat yourself and the family to local gourmet dishes, by ordering take-out from a list of our restaurants that will be open during the limited edition festival.

Those visiting can rest assured that we have a wide range of compliant, memorable experiences, physical and virtual, for the whole family to enjoy. Our local businesses are committed to adhering to current regulations in order to host you safely. Now more than ever, Knysna welcomes you to stay, work and play in a region that has so much to offer this winter break. Your support benefits our community greatly and will go a long way in helping us keep this much-loved festival going for years to come."

"The Knysna Oyster Festival programme was always designed with the pandemic in mind and thanks to this approach, the team has been able to seamlessly adapt to offer families an experience-rich and rewarding holiday. To those living in the Western and Eastern Cape – why would you #WFH (work from home) when you can #WFK (work from Knysna)? Re-imagine your July winter getaway, reconnect with your family unit, and re-discover the beauty of the Garden Route this year," concluded Wesgro's chief marketing officer, Monika Iuel.
