

Brand inc appoints Chris Heaton

With the opening of Brand inc's Durban branch in Umhlanga, Johannesburg-based Managing Director, Chris Heaton, will be relocating to manage their latest start-up.

In addition to co-managing their newest blue-chip brand Shield and Vaseline's sponsorship for the Springboks, Chris will be expanding on his day-to-day duties and will undertake the role of National Managing Director, overseeing all agency operations and accounts within all three of the Brand inc branches.
