

Matthew Mole, GoodLuck to headline first On The Lawn live shows

Matthew Mole and GoodLuck are set to headline the first two shows in Breakout Events' upcoming On The Lawn live-show series. The initial set of live shows will be held on 7 and 8 November at Casalinga Organic Farm in Muldersdrift and Marks Park in Emmarentia, Johannesburg.

The On The Lawn series will see Matthew Mole and GoodLuck respectively perform at both venues, and music lovers who have been needing to soak up the sun and enjoy live music again, will have a beautiful outdoor setting to relax and gather in with friends and family.

Due to the Level 1 restrictions of lockdown and a maximum capacity of 500 people allowed per event, On The Lawn has created an intimate setting that brings you closer to two of SA's best live performers.

Sharing the stage with Matthew Mole will be support acts Werner Bekker and Jethro Tait. Goodluck will have EASY FREAK and Kimon Rayne support them.

A more intimate setting also brings limited tickets and with Matthew Mole and GoodLuck known for drawing thousands to their shows in the past.

Tickets are on sale now from onthelawn.co.za.
