

# Simplify.hr launches free hiring e-book

Issued by [Simplify](#)

31 Mar 2020

It has been proven that effective recruitment is the cornerstone of a healthy, functional organisation. Simplify.hr has launched *Recruitment Simplified*, a digital e-book aimed at arming recruiters and hiring managers with the tools and resources to make better hires through effective, measurable and candidate-centric recruitment methodologies.

*Recruitment Simplified* is aimed at giving new or experienced recruiters the tools and building blocks for an effective recruitment programme. If you or your organisation wants to improve your time-to-hire or quality of candidate, or improve your candidate onboarding, then this primer is for you.

Some of the topics that we cover are:

- How to get organised with technology
- Putting the right recruitment metrics in place
- How to effectively prepare for recruitment
- Candidate sourcing and attraction
- Candidate selection and assessments
- How to hold effective candidate interviews
- The impact of a positive onboarding process
- And much more...

[Download](#) our free *Recruitment Simplified* e-book from Simplify to align your recruitment with best practices and ensure that your recruitment is compliant, measurable and effective.
