

RoomRaccoon appoints Kristine Kruger as its customer training specialist

Kristine Kruger has been named customer training specialist at RoomRaccoon, a hotel management software firm. She will be in charge of improving the company's customer training programme and ensuring that every property that utilises RoomRaccoon can grow and surpass its business objectives.

Kruger has over 14 years of experience in the hotel business, working in customer success and training roles. Kruger will oversee the company's online and in-person training for thousands of RoomRaccoon users across Europe, North America and Southern Africa in her new job.
