

Lucid Ventures launches Home Suite Hotels in SA

Cape Town-based hotel fund Lucid Ventures has introduced the Home Suite Hotels boutique hotel brand to the South African market. Home Suite Hotels' first hotel will open on the corner of Oxford and Bristol Roads in central Rosebank next week and will be followed by additional hotels in Rosebank and Sandton in Johannesburg, and Sea Point, Gardens and De Waterkant in Cape Town, over the next 24 months.

Home Suite Hotels will be positioned in the gap identified between large 150+ room international branded hotels and high-end independent boutique hotels.
