

DStv launches pop-up channel for Easter

DStv has announced a selection of exciting Easter offerings in the upcoming holidays, including a pop-up channel called Hope TV on DStv channel 346. The channel will serve inspiring Easter-oriented content with extended worship sessions, messages from big names and quality kids' programmes.

Other DStv channels such as One Gospel, Dumisa and TBN Africa will also have new Easter specials in early April. [Click here](#) to learn more about DStv's Easter content.
