

BON Hotels is collecting water for CT

BON Hotels is currently running a water collection drive for those affected by the drought. Guests and visitors have been asked to donate five litres of water, which can be left in the BONangel donation bins located at the reception at BON Hotel Bloemfontein Central, BON Hotel Riviera on Vaal, and Destiny Hotel & Conference Centre by BON Hotels.

Cape Town and the greater Western Cape have been affected by a severe drought and are currently on level 6b water restrictions. The dams are at less than 25.9% and residents are now limited to 50 litres per person per day - Day Zero is forecast for 11 May 2018 when the taps will officially run dry.
