

Basha Pillay is Altron Karabina's new business unit lead

Basha Pillay has been appointed as the business unit lead - modern platform for Altron Karabina. He will mainly be tasked with helping businesses in their quest to become digital workplaces.

Pillay brings in over 25 years of IT experience having worked in development as well project and programme management technology companies such Dimension Data and Internet Solutions and Gijima.

Pillay says modern platforms looks at how companies change the way they do business and he aims to embed a culture of ongoing learning and leading by example for team members. According to him, this skill set combined with skillset such AI, ML or robotic process automation will play a key role in the team's success.
