

#BeautifulNews: A cinematic glimpse into the splendour of the Cape Flats

Not one second passes Lindsey Appolis by unnoticed. He sees the everyday beauty that's often clouded by perceptions and preconceived notions. Camera in hand, he's exposing the splendour around him – particularly of the Cape Flats. "My photographic style is cinematic," Appolis says. "I'm giving you a glimpse into my memories and how things look to me." Having grown up here, Appolis is resolute to show his community in a new light.
