

Obikwa wins best value award

The 2012 Best Value Wine Guide for wines priced under R60 a bottle has awarded Obikwa Sauvignon Blanc 2011 Best Value for its exceptional value in terms of quality versus price. In addition to offering great value for money, the brand is also known as a trailblazer for eco-friendly wines as the first South African wine to switch to ultra-light weight 350g Consol glass bottles in a concerted effort to minimise its carbon footprint and reduce its impact on the environment. It retails at around R27 per bottle.
