

18 reasons why you should go on a Namibia self-drive safari

 By [Jarred Manasse](#)

25 Apr 2016

Namibia is the ideal self-drive safari escape if you're thinking of getting away from the hustle and bustle of the city to experience an authentic African safari.

Track down the desert-adapted elephants of Damaraland, witness the massive seal colony at Cape Cross or explore the sand-ridden ghost town of Kolmanskop. A Namibia self-drive safari is an unforgettable experience. Here are 18 reasons why you should experience it for yourself.

Damaraland
