

## **Ster-Kinekor implements Covid-19 precautions**

Ster Kinekor says it is taking precautionary measures following President Cyril Ramaphosa's address on Sunday, and due to the spread of the coronavirus (Covid-19). The cinema company has already taken certain hygiene protocol steps, including the provision of hand sanitisers at cinemas and minimising staff when they are not needed.

Cinema capacity at each Ster Kinekor show will not exceed 100, and shows will only screen between 12pm and 6pm. Ster Kinekor also encourages social distancing at its cinema, saying two seats must be left empty between each booked seat.
