MACHINE, AdReview's Breakthrough Agency of the Year 2013, can't help but crow about its latest account win: Nando's digital.

Says Ashley Stansfield, Nando's South Africa Advertising and PR Manager: "The chemistry between MACHINE and Nando's was instant and obvious. We were as impressed by MACHINE's humble attitude as we were by their passion for the brands they work on, the challenges they have overcome for those brands and their ability to think 'business' in a digital world.

"We are fired up about working with MACHINE, and have no doubt that together we will create some of the hottest digital work in town."
