CareerJunction recently celebrated its 10th Recruiter Awards, hosted annually to reward recruitment excellence in South Africa.

Winner of the Large Agency category, Kelly Group

7 November 2013 marked a big day in the South African recruitment industry as recruiters gathered to celebrate the 10th anniversary of the prestigious Recruiter Awards event, hosted annually by South Africa's #1 quality candidate provider, CareerJunction.

The Recruiter Awards is the only awards ceremony of its kind that recognises true best practices in the South African recruitment industry. The evening marked a decade of service excellence in the industry and saw recruiters' early arrival at Maximillien, Sandton in anticipation of the event.

Three recruitment agencies walked away with special accolades for their contributions during 2013, as voted for by job seekers who use the CareerJunction website to find employment opportunities. Awards were presented to recruitment agencies in three categories; small, medium and large, size determined by the average number of jobs advertised over a period of 12 months, on CareerJunction.

The 2013 Recruiter of The Year winners are as follows:

Large Agency

- Winner: Kelly
- 1st Runner Up: MPC Recruitment
- 2nd Runner Up: DAV Professional Placement Group
