23 Jan 2014

Already off to a running start; Wetpaint Advertising is proud to announce a host of new accounts for the 2014 financial year.

First off we have Bell Equipment, a local producer of plant, construction, mining, agricultural, and forestry heavy equipment. One of CAT's largest global competitors, Bell Equipment is one of South Africa's best quality exports.

Welcome to Wetpaint.

And don't forget the Novartis animal health range of agricultural welfare products. The Nation's finest and most loved animal healthcare products boast a dominant market-share and assist in providing food security for South Africans by improving the living conditions of livestock.

Proud to be of service.

Last but not least we have i-Sens; Korea's premium supplier of digital medical testing equipment has selected none other than Wetpaint Advertising to launch their range of blood glucose testing equipment to the South African market.

The Biosensor Expert

Here's to a long and profitable relationship.

To all of our new clients we wish you a warm Wetpaint welcome and look forward to achieving great things!
