Issued by [East Coast Radio](#)

1 Aug 2006

The man with the mystery surname is gathering loyal fans between the witching hours of 3am and 6am every weekday. Peter G presents The G Thang which is fast becoming the best early early-morning show in the country.

The show eases listeners out of the night and into the morning with great hit music and the perfect helping of useful information.

Between 03h30 and 04h00, Peter G plays requests, then at 04h15 he checks his inbox for emails from listeners who have something to say. Internet websites come under scrutiny at 04h30 when Peter G chooses the hot site of the day. Shortly after 5am it's time to look at the morning papers, and just as you're stepping out of the shower, Peter G will put your brain and your musical knowledge to the test with Brain Squeeze. For the latest news and sports headlines, Neil Tapinos and Dumi Kunene join Peter G in the studio. Make sure you're part of the team too, whether you're just coming home, or getting ready to face a new day. It's your early morning heads-up and it's only on 94.95fm.
