

BMi Research gets gardening at the Ubuhle Day Care Centre

Issued by [BMi Research](#)

16 May 2014

BMi Research staff enjoyed a day in the sun on February 21st while helping Ubuhle Day Care Centre, at Valksfontein Bronkhorstspuit, maintain its vegetable garden.

The vegetable garden is a very big part of the day care's fresh food supply, and provides much needed healthy nutrition for all. BMi Research has been supporting Ubuhle Development Centre since 2008 and continues to support them in any way they can.
