The cherry on the top; we are glad to announce that the television commercial for Ethiopian Airlines started flying on the 1st of June.

The advert, which captures the wonder and magic of flight, will be playing across a plethora of channels on DStv, Africa Magic, BBC World, Channel O, M-Net Action, National Geo, Sony Ent, Style, Vuzu to name just a few.

The TVC is an exciting new addition to an already successful integrated campaign. And we are super proud of it.
