ACKERMANS

Ackermans' success story began in 1916 when Gus Ackerman opened the very first store in Wynberg, Cape Town, setting a benchmark for competitive prices that few could match. Today, with more than 380 outlets in Southern Africa, including Namibia, Lesotho, Swaziland and Botswana, the business continues to go from strength to strength. Ackermans' proud heritage was built by focusing on the things that matter most to our customers; namely affordability, fashion and durability.
