

Quality and safety provided at these healthcare facilities...

Issued by [COHSASA](#)

17 Sep 2015

The following healthcare facilities have been awarded full accreditation by the Council for Health Service Accreditation of Southern Africa (COHSASA), a not-for-profit company (NPC) based in Cape Town.

This means the healthcare organisations have entered a rigorous quality improvement programme and have been assessed against and comply with standards recognised by the International Society for Quality in Health Care (ISQua), the global body overseeing accreditation and quality improvement programmes in healthcare.

It also means that the facilities listed below are well placed to provide quality and safe care to the communities they serve.
