

# Prominent courier and delivery companies powered by AfriGIS

Issued by [AfriGIS](#)

14 Jul 2015

## ***Cut costs by optimising first time deliveries with AfriGIS Search***

More and more prominent courier and delivery companies are using AfriGIS Search, powered by Intiendols, to capture and validate correct addresses for optimal first time deliveries.

AfriGIS Search, powered by Intiendols, is an advanced address capturing, cleaning and geocoding solution that enables you to use the e-commerce, ERP or bulk interface to capture, verify and maintain accurate, updated and geocoded customer addresses -therefore you can get a single, verified, geocoded customer database that can be used throughout your organisation to increase profitability and efficiency in your business.

Experience how AfriGIS Search, powered by Intiendols, improves service delivery of prominent delivery and courier companies:

*Dropdown Search with Autocomplete*
