OFM, the sound of your life in Central South Africa, is making exciting changes to its Sunday morning music offering. From Sunday, 3 July 2016, OFM presents that Absolute 80's Radio show playing the best music from everyone's favourite musical decade - the eighties.

The show will be presented by radio legend and eighties music lover Tony Blewitt.

Says OFM General Manager, Nick Efstathiou: "We are always looking at our product offering - how we can make it better, more relevant and more entertaining for our loyal listeners. We believe the time is right to focus on the musical era that brought us Lionel Ritchie, Diana Ross, Luther Vandross, Kool and the Gang, Billy Joel and bad haircuts. These songs are the sound of your life. The music we danced to in our bedrooms."
