

Merchandise your products with a Do-It Slot Hang Tab

Issued by [Pyrotec](#)

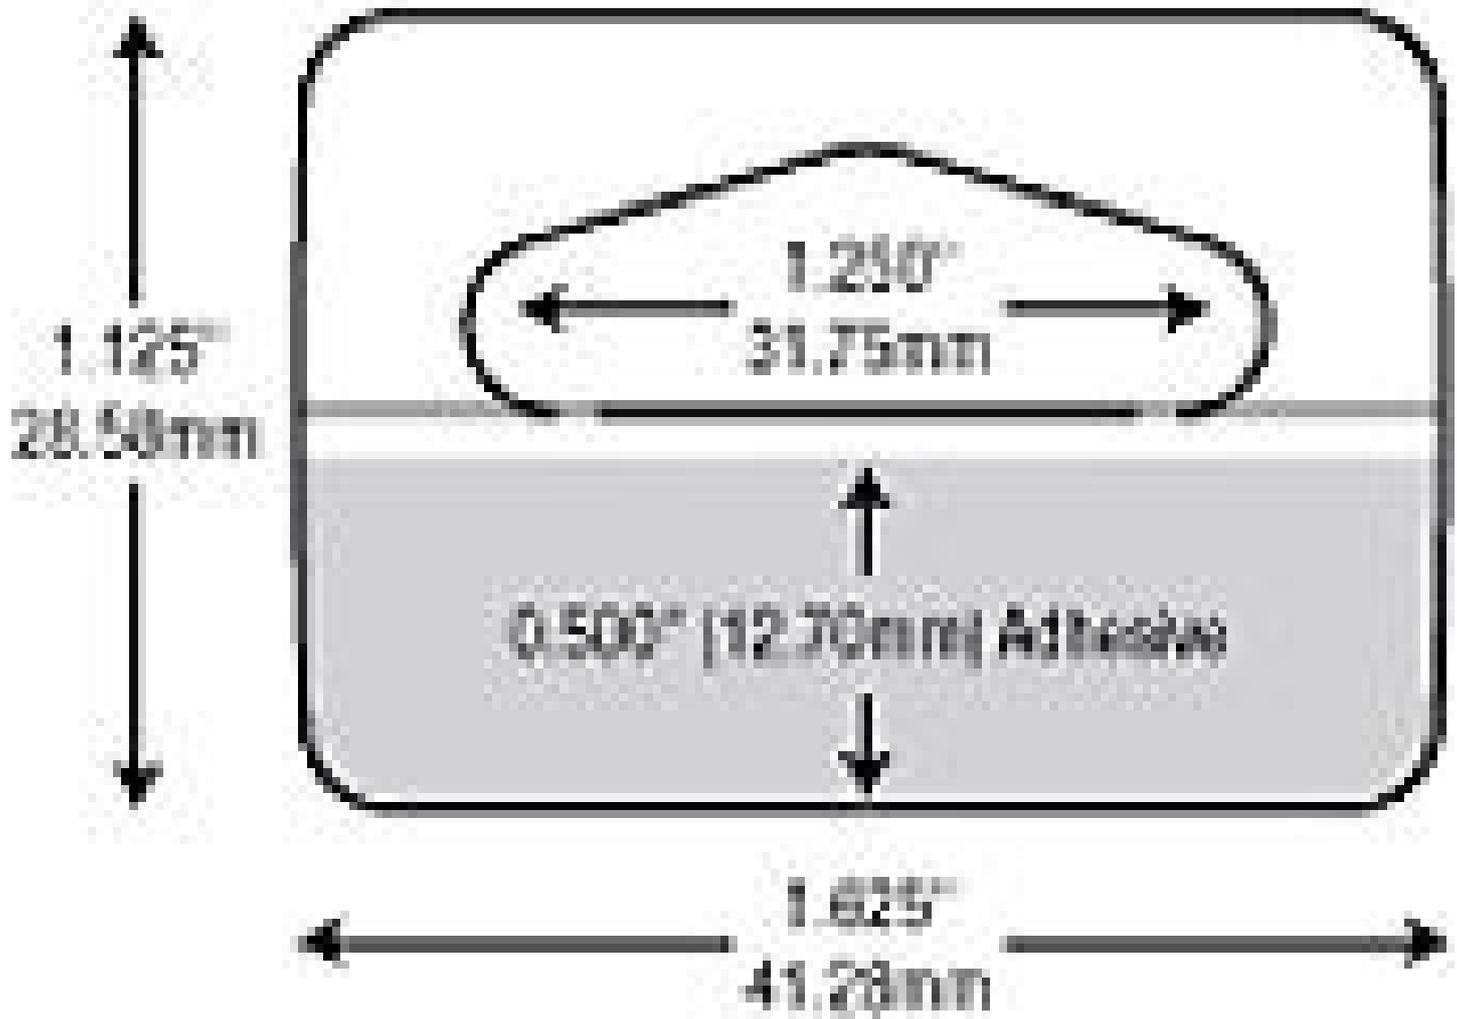

29 Aug 2017

Do-It® Slot Hang Tabs are sold exclusively in South Africa by Pyrotec PackMedia. These hang tabs are distinguished by the delta- and euro-hole styles and have been designed to hang onto both single and double-wire peg hooks. Cold meats and DVD/CD packages are among the ideal products for these slot hang tabs.

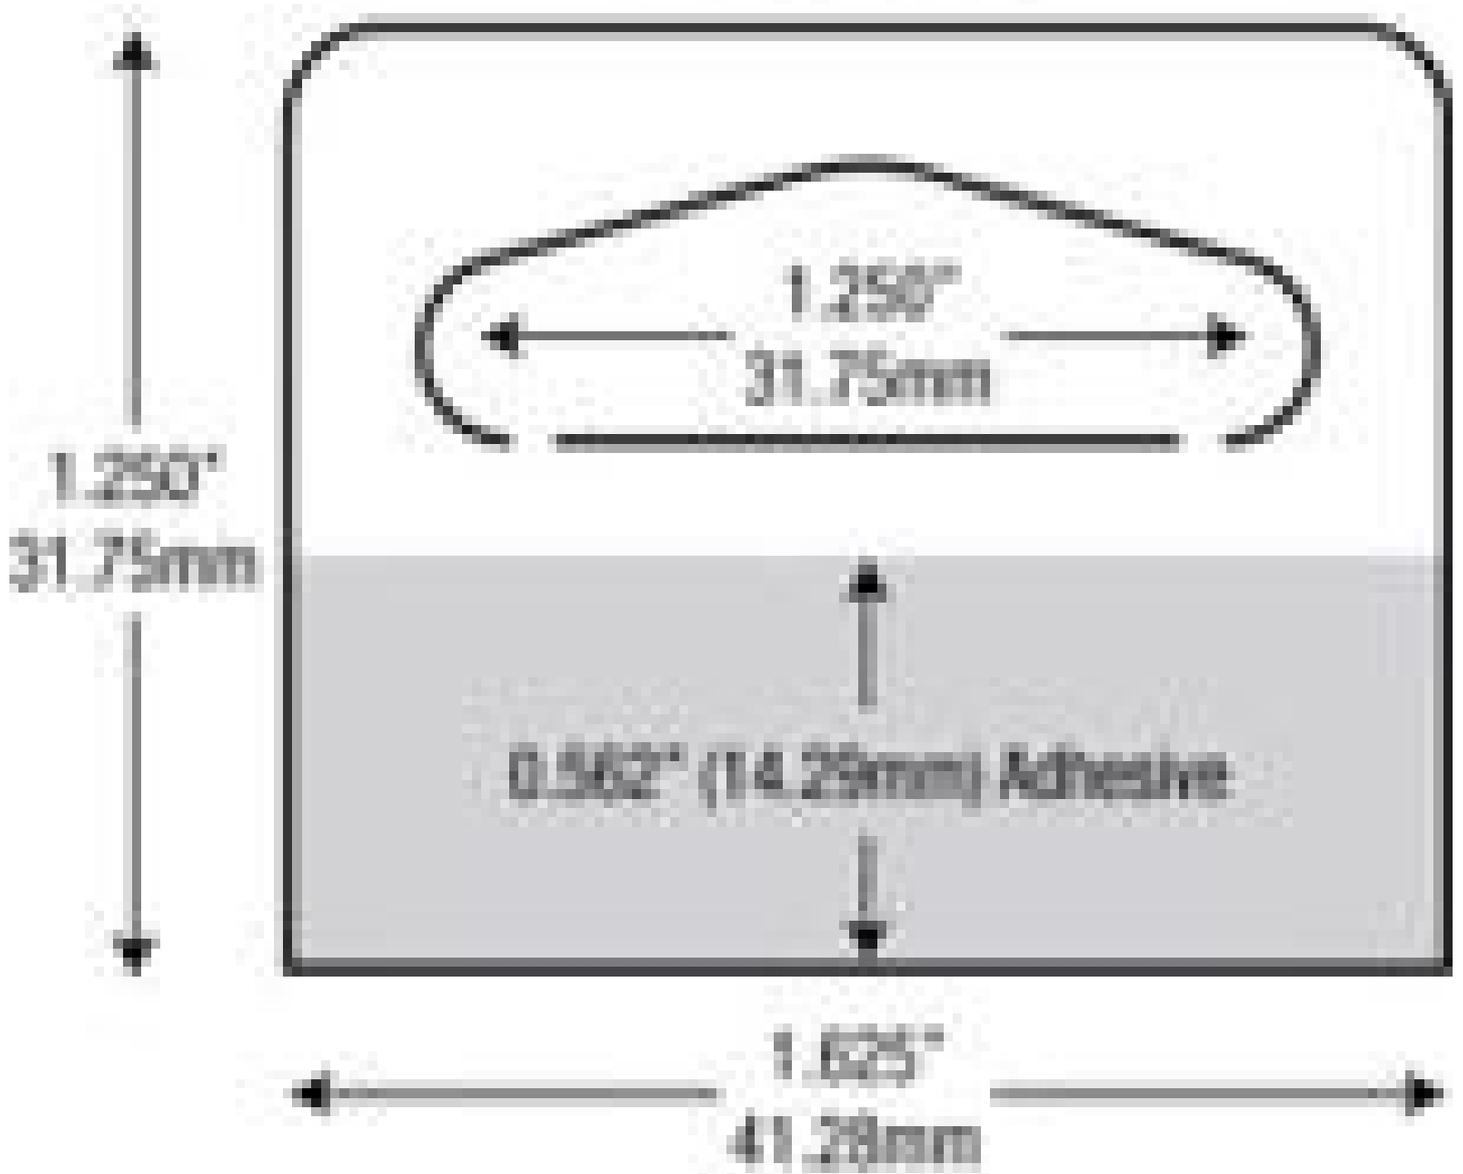

Pyrotec PackMedia stocks two variants of the slot hang tab. What differentiates them is their recommended product display weight, i.e. how many grams the hang tab can hang. Another great feature of these hang tabs is that they are clear so that they do not interfere with your brand/product message.

The slot hang tab allows you to display products vertically, face-forward anywhere in a retail environment, thereby enhancing product visibility, increasing impulse purchases and boosting brand awareness.
