Eskom has warned South Africans that load shedding will continue as the strike affecting coal supply to key power stations is ongoing. "Customers are advised to keep checking their load shedding schedules on the Eskom and their municipal websites, and plan on the assumption that load shedding will take place," said the power utility.

This is bad news, especially in the middle of winter.

## Watch offline with Showmax

When the lights go out, you'll need something to pass the long, dark nights, and with the [Showmax](#) app you can download up to 25 series episodes and movies to watch offline on your phone or tablet.

This means you can still watch your favourite shows even if the Wi-Fi has been taken out, and it won't use any of your mobile data.

Showmax gets new shows every week and has recently added amazing titles like [Marvel's Cloak & Dagger](#), [Freakish](#), [You've Been T@gged](#), [The Crossing](#) and loads more. And you won't find those shows on any other streaming service in South Africa.

How to download with the Showmax app

1. Install the Showmax app from the [Google Play](#) or [Apple App Store](#).
2. Launch the Showmax app and sign in to your Showmax account.
3. Select the show you want to watch and tap the download button. It's that easy.
