Hot 91.9FM is delighted to announce the return of legendary radio presenter Jeremy Mansfield to the station. Jeremy will be the host of Hot 91.9FM's all-new morning show, *Mansfield in the Morning*, a move that sees him reunited with long-time partner in crime Sam Cowen and the team of Simon Hill, John Walland, Karabo Yibe and award-winning producer, Will Scott. *Mansfield in the Morning* will kick off at 6am on Thursday, 1 November 2018.

Jeremy brings to Hot 91.9FM his unique brand of humour, talkability, commentary and, of course, his opinion on just about everything from A-Z. His passion for community enrichment is well known, and this will form an integral part of the show. "I've always believed in the unifying power of laughter and creating shared value in the communities I serve. Here I get to do both," he said.

Hot 91.9FM Managing Director, Lloyd Madurai said, "Jeremy will bring back the *fun* element of morning radio, which will entertain and engage our audience. Together, we will work with him to grow Hot Cares and ensure sustainability across our many community initiatives."

Hot 91.9FM Programme Manager Tony Murrell said, "It's great to have someone of Jeremy's calibre at Hot 91.9FM. Jeremy is loved by so many, especially here in Johannesburg."

Mansfield in the Morning will be live on Hot 91.FM every week day from 6-9am.
