

Scan Display scoops four local exhibition industry awards

Issued by [Scan Display](#)

4 Feb 2019

Scan Display was delighted to be recognised by local exhibition industry associations, AAXO (Association of African Exhibition Organisers) and EXSA (Exhibition & Event Association of Southern Africa), at their combined awards evening at Montecasino last week.

Scan Display won the following four awards for the 2018 year:

- EXSA's EXSA-llence Award for Best Design Stand in the *Custom Stand 13 – 24m²* category. This was for the South 32 stand at Mining Indaba 2018.
- EXSA's Chairman's Award was presented to Scan Display's Financial Director, Moses Nefale, for his contribution to the industry in his role as EXSA's Treasurer.
- AAXO's ROAR Award for Best Stand in the *36m² and below* category. This was for Scan Display's own stand at Madex 2018.
- AAXO's ROAR Certificate of Excellence for Stand Design.

Moses Nefale was thrilled to be acknowledged with the EXSA Chairman's Award: "It is fantastic to be recognised by EXSA Chairman, Doug Rix. I am very passionate about skills transfer and education in our industry and I appreciate the recognition of the Treasurer's role within the Association and the broader exhibition industry."

AAXO's Certificate of Excellence for Stand Design is a meaningful accolade as it is voted for by the organisers in the exhibition industry. Scan Display's Managing Director, Justin Hawes, says: "This award is very special to me because it is such an honour to be recognised by the exhibition organisers as a leader in innovative stand design."
