The Simphiwe Dana congregants will once again worship at the "Church of Dana" when Bassline Live and Radio 2000 present the Simphiwe Dana Annual Congregation live at The Lyric Theatre, Gold Reef City, on 2 March 2019.

Set to be explosive, this once-a-year music communion with the living legend will be quite special as Simphiwe celebrates 15 years since her debut in the music industry. This year will be an intimate congregation with the Firebrand songbird.

This performance on Saturday, 2 March, at The Lyric Theatre, Gold Reef City, is her first since her successful recovery from vocal surgery and is set to be a very moving and memorable one.

Already lauded as one of the most important singers, cultural activists and fashion icons of our time, Ms Dana performed to a packed show, when she last performed on the Bassline Live series at the Lyric in November 2017.

Radio2000 is excited to be the Official Radio Partner for the "Bassline Live Series 2019 at the Lyric Theatre, Gold reef City". As a station Radio 2000 prides itself in music especially local music, this partnership with Bassline is one that we know will thrive and Radio 2000 will bring a national perspective to the Bassline live series.

The Bassline Live Series has grown in popularity over the past few years and is host to the cream of the crop artists such as the late Zimbabwean legend Oliver 'Tuku' Mtukudzi, The Soil, and living legend Tsepo Tshola.

The sensational Simphiwe Dana has just celebrated her birthday on 23 January with a major and lucrative deal with Universal Music where she will not only produce her own albums, but will also partner with the record label to identify, develop and groom the young, up-and-coming talent.
