Kfm's well-loved afternoon drive presenter, Carl Wastie, celebrates continued success and industry acclaim. The host of *The Flash Drive* on Kfm 94.5 has been nominated for three Liberty Radio Awards.

CRITICAL ACCLAIM FOR KFM 94.5 'S CARL WASTIE

Carl Wastie has taken Kfm 94.5 by storm since he joined the station in October 2016. The young host of *The Flashdrive*, Kfm's afternoon drive show, brings energy, creativity and oodles of personality to everything he touches.

He managed to build a deep connection with listeners of all ages and backgrounds in a very short space of time with his first Kfm show, "The Switch", which was a weekday mid-afternoon slot. This, his many other attributes and talents saw him promoted into a prime-time drive show slot within a year of arriving at Kfm 94.5

Carl is extremely passionate about local music and giving local artists a platform in the on-air and digital space. This, together with his energetic presenting style makes him the ideal host of the Coca-Cola Top40 SA (10-2 pm Saturday), in addition to his weekday slot.
