Our AfriGIS Search Toolkit offers you more than 50 million address and insights combinations.

With the AfriGIS Search Toolkit you:

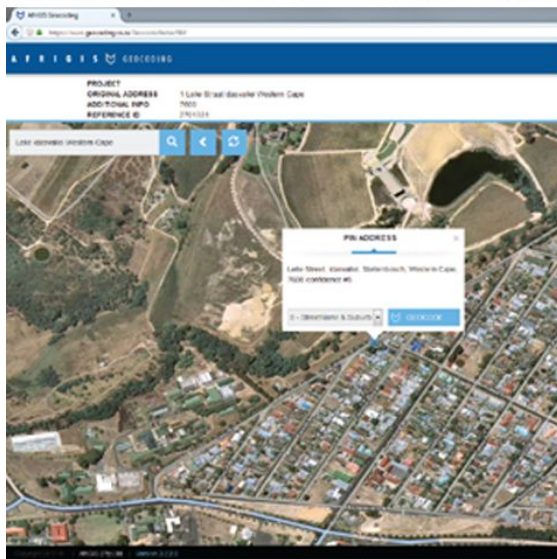

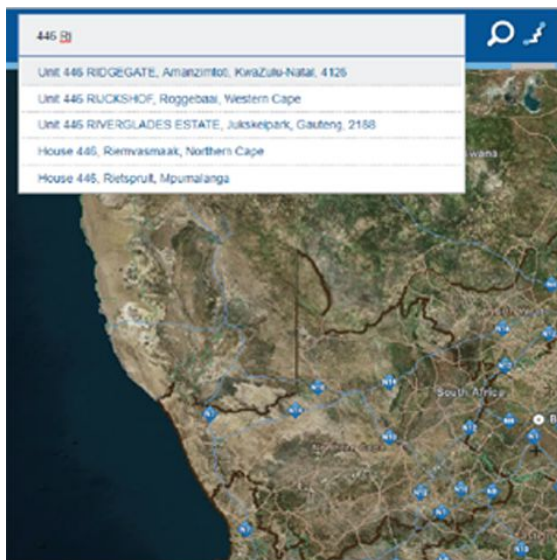

- Get a single view of customer from the address upwards.
- Manage risk and comply with ISO & SABS address standards.
- Get fast, accurate, autofill addresses inside your own environment.

Our Risk and Insights Reports include:

- Hundreds of analysed datasets to give you fast and accurate area information at your fingertips.

With our Online Geocoding Solution:

- You can get the rush bulk geocoding jobs done quickly by our team of experts; or
- Use your own personnel to rapidly achieve compliance and conformance.
