Be more competitive by adding offices, branches or assets on a map.

Our maps empower you to:

- Add a dynamic map into your website.
- Create beautiful and fast base maps.
- Display customisable, simple and powerful maps.
- Include map markers on your office location.
- Include selected Points of Interest (POI).
- Remotely manage your own layers.
- Extend capabilities with plugins freely available.
- Display updated imagery.
- Customise map styles.
- Add unlimited offices to your map, including drive time directions.
- Share routes via mobile devices.
- Configure and integrate with other AfriGIS services.
- And more...

Based on leading open-source Leaflet library & works across all major mobile and desktop platforms.

We host your layers, maps and solutions.
