Scan Display wins two exhibition and event industry awards

Scan Display Solutions won two awards at the Exhibition & Event Association of Southern Africa's (EXSA) year-end function at the Sandton Convention Centre last week.

The Maskew Miller Longman stand at the Cape Town Book Fair.

Scan won Best Stand in the 'Custom 50m² to 100m²' and the 'System 26m² to 50m²' categories. The custom award was for Maskew Miller Longman's stand at the Cape Town Book Fair and the system award was for Trubok's stand at Markex Jhb.

Scan has consistently won EXSA's annual stand awards: in 2006 Scan won one award, in 2005 it won three awards, and in 2004, in an unprecedented achievement, it won four awards.

Scan's Managing Director, Justin Hawes was delighted with last week's accolades: "The latest prizes make Scan the company with the most EXSA stand awards since the competition was re-instated in 2004. This shows our level of creativity and design flair."

Scan's design team comprises seven full-time interior designers, two graphic designers and a qualified architect.
