

V5 Digital receives Silver Certification in SharpSpring Partner Certification Program

Issued by [V5 Digital](#)

7 Dec 2020

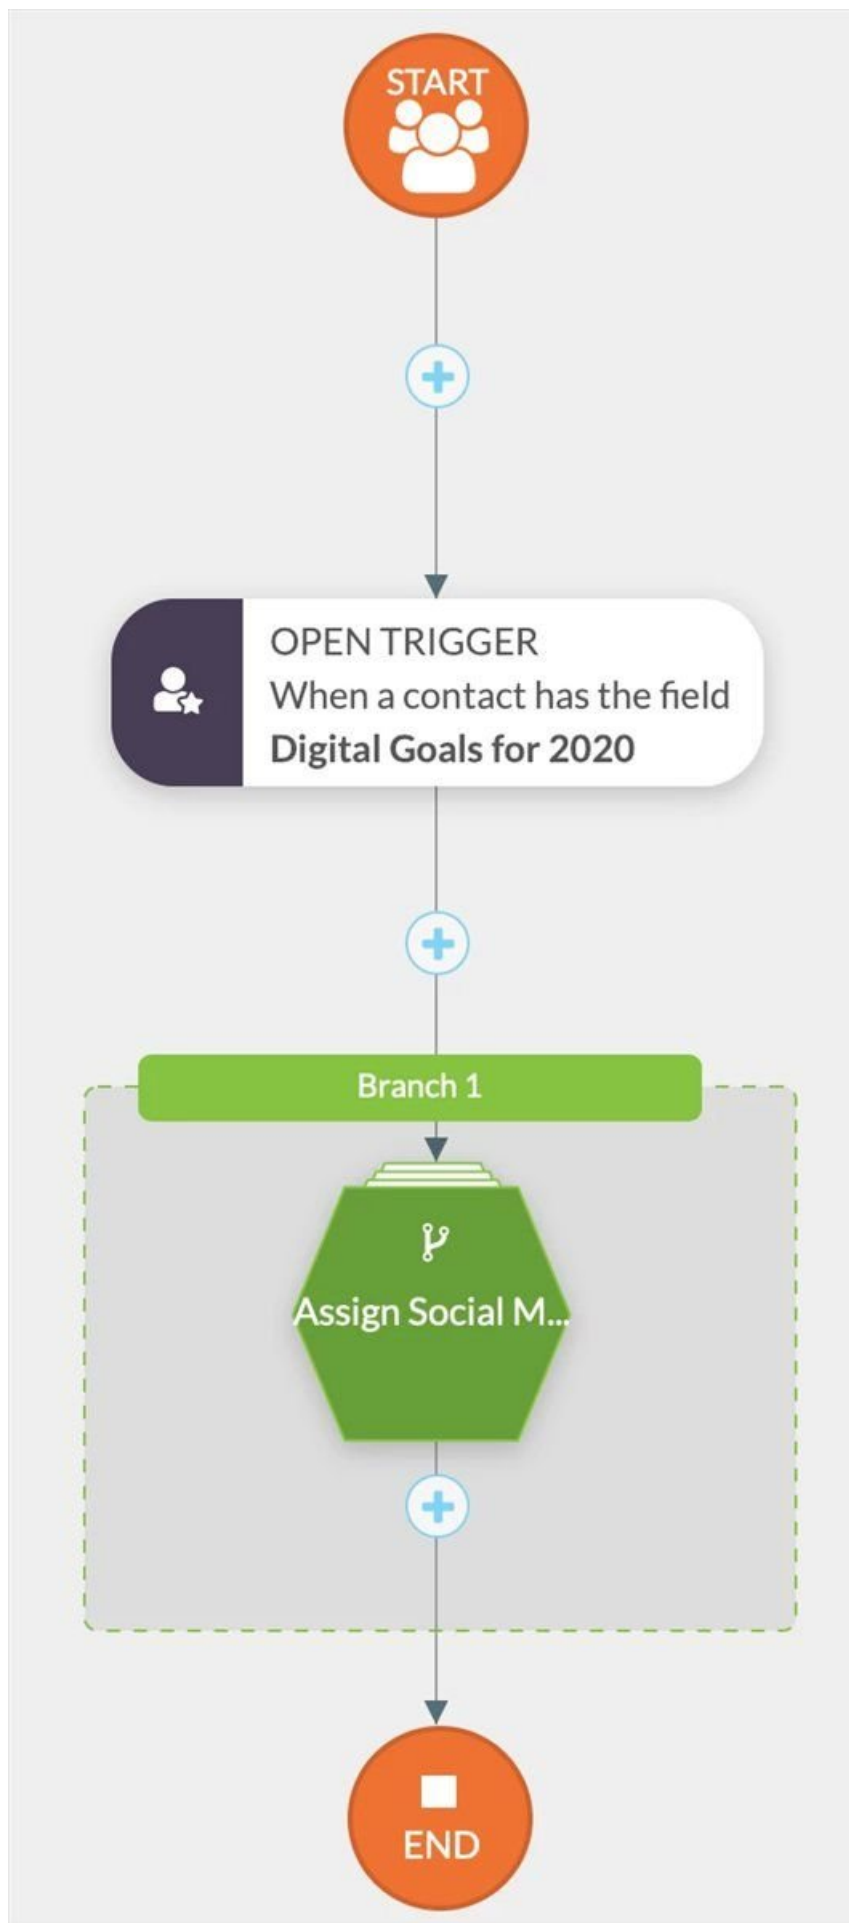

V5 Digital, a leading digital marketing agency based in Windhoek, Namibia - serving customers around the globe - obtained silver-level certification in SharpSpring's partner certification program. Through this program, [SharpSpring, Inc.](#) (NASDAQ:SHSP), a global provider of cloud-based marketing and email software solutions, empowers its partners to become experts in marketing automation and rewards top performers with referrals, certification badges and additional resources.

V5 Digital met all of the requirements within the silver tier of the certification program, demonstrating an exceptional level of expertise in marketing automation and the SharpSpring platform. With this certification, V5 Digital is more equipped to help clients drive qualified leads, convert more of those leads to sales and optimise the ROI of their marketing campaigns.

"Agencies that are leaders in marketing automation are also far more likely to become leaders in the digital marketing industry," said [Rick Carlson, CEO of SharpSpring](#). "When a partner goes the extra mile to obtain this level of certification, we know they truly understand the value of marketing automation and that they're committed to driving the highest results for their clients."

"We have been utilising SharpSpring for over two years and are amazed by its powerful features, continuous innovation and development, and competitive price point. We believe that with SharpSpring, we have a formidable product to help our clients on the path to customer success," said [Armin Wieland](#), founder of V5 Digital
