Which local searches were trending in January?

In January 2021, Vicinity Media's Near Me microapp got an impressive 135,654 user clicks across 16 search categories on five publisher sites.

Clearly, users are embracing the convenience Near Me offers: **quick, intuitive local search**, with no need to leave the site, or to type in your location or search term.

Local searches give great insight into the South African mindset at any given time – what's worrying consumers, what's exciting them, what they're curious about.

It's a fantastic tool to help guide marketers' decisions.

So, **which eight categories dominated** on Near Me with the most local search clicks?
